Foreword

"Hitch your wagon to a star." -- Emerson

We, in our modern world, must always go forward in order to live a full and enjoyable life. Time and conditions are always changing. We cannot be content to take things as they are, for, if we do not go forward in life, we will surely go backward.

Board of Education

We the class of 1957 wish to thank our capable Board of Education for the many privileges and favors that they have granted us during these years of training.

Now as we are about to enter this world of uncertainty, there is a task ahead for each of us to do and the training we have received here in Zeeland High School will guide us on our way. Again we say thank you.

Memoriam

In memory of Henry A. Geerlings, who served as president of our Board of Education from January 1950 to June 1956, we desire to express our sympathy to his wife and daughter. Mr. Geerlings was a lifelong resident of our community and contributed greatly to its welfare and advancement. As a member and president of the Board of Education, he served ably and willingly. He gave liberally of his time and talent. His knowledge and ability in business and fiscal affairs was a valuable asset to the schools of our city. His devotion to and interest in our schools deserves long to be kept in our memory.

Administration

Leading us through our most enjoyable years have been Mr. Raymond Brummel, who so efficiently prepared us for our vigorious High School days; Mr. Raymond Lokers, who has proved to be very helpful in innumerable instances; and Mr. Julius Schipper, who has so completely guided and directed the students and administration.

Assistant Editors Are Chosen For Peeper

Marilyn Holleman and Tom Plewes were chosen by the members of the Journalism class to be assistant editors for the Peeper for the remainder of this year and co-editors next year.

Marilyn, a junior, is an active member of the Zeeland High debate team for the negative side. She has been in Y-Teens for two years and will be attending the Y-Teen mid-winter conference during this month. She was also a Future Teacher last year.

Tom, also a junior, is a member of the debate team on the affirmative side. He has also been an active member of the Hi-Y. Tom was in Latin Club last year.

The Journalism class holds an election every year to determine who will become the new editor of the Peeper. Usually one person is chosen but because of a tie between the two, it was decided to have co-editors for the coming year.

The two will assist Allen Klingenberg, the present editor for the remainder of this year and will take up the office of co-editors the beginning of next year.

The Brown and Gold

Come boys draw near,
And let us sing a song for Zeeland.
Let our hearts proclaim
The love we bear the "Brown and Gold."
For it's for fame our men are fighting,
And if we cheer, they'll do or die.
So gather round and let's resound
A ringing cheer for Zeeland High.

Senior Band

KNEELING: L. Van Eden, R. Hoffman.
STANDING: S. Yntema, F. Veldhuis, C. De Jonge.

The Senior Band had a very active year. During football season, this group offered entertainment during the halftime of all the games. One of the highlights of the football season was performing at a Hope College football game and marching in their Homecoming parade.

For the first time in Zeeland's history the band received a first division rating at the District Festival held in Grand Haven. As a result of winning the first division rating, the band was given the privilege of entering the State Festival in Ann Arbor. The other performances of Concert Season were the Christmas and Spring Concerts.

Many soloists and ensembles were entered in the district contest in Holland and returned with several medals.

The marching band again entered the Tulip Time Band Review and returned with a highly superior rating. They also took part in the Children's Day and Saturday parades. The band also marched in the annual Memorial Day Parade.

Senior Chorus

The Senior Chorus made many appearances this year. Their most important performances were at the Spring and Christmas Concerts. They traveled to Coopersville and gave a combined concert with the other schools in the Kenewa League. The chorus entered the District Contest at Junior College and returned with two excellent and one superior ratings.

Another highlight of the season for the Chorus was the singing in the Civic Center for a Tulip Time Program with other high school choruses. This was the first time the chorus took part in Tulip Time Festivities.

Young People

Have what it takes to

Build Up Our Community

Ambition and initiative – priceless qualities, which we value highly at our community bank. Many of our substantial accounts have grown from modest beginnings. Our hats are off to the young people – and our latchstring is always out to them.
